CERTIFIED TEACHER (PT/AFTER SCHOOL) 21st CCLC

Beginning Fall Semester (August)

Schedule is 3:30 pm to 6:30 pm, M-F (Subject to change/must be flexible)

A certified teacher is needed for our After-School Program (K-5th grade).

Teachers in our after school program provide opportunities for learning and personal growth beyond the regular school day, in a variety of settings, to a diverse population of young people. Our teachers need to act as a role model by providing a welcoming, safe and fun environment for our members. We need our teachers to plan lessons, create program outlines and submit program reports aligned with 21st CCLC program & project based learning activities in a timely manner. They must also have the ability to manage large groups of members (approx. 30) in an after school setting, be creative and have excellent classroom management skills. Must be a certified teacher.

Certified teachers may send cover letter and resume to hr@bgccc.com
