

GREAT FUTURES START HERE.

Our Mission

"To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens."

BOYS & GIRLS CLUB
OF COLLIER COUNTY

Who We Serve

The Boys & Girls Club of Collier County serves more than 3,000 youth in first through twelfth grade, with programs focused on Character & Leadership Development, Education & Career Development, Health & Life Skills, The Arts, and Sports, Fitness & Recreation.

Our Vision

The Club's vision is to provide a world-class Club experience that assures success is within reach of every young person who enters the doors - with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

Campaign For Youth

There are many youth in our area that may not have the opportunity to receive an education in even the most basic life lessons. Many cannot afford tutoring, get involved in organized sports or simply experience the arts.

When joining the Club, Collier County youth receive the opportunity to enjoy all of these things and gain experience to help improve their futures.

By contributing to the Great Futures Start Here Campaign, you provide a child with a membership to the Boys & Girls Club after school and summer programs. This allows each member to participate in educational activities, field trips, special events, as well as receive hot meals and snacks each day.

The Great Futures Club

The Great Futures Club consists of individuals throughout the community who have made a contribution to the Great Futures Start Here Campaign. 100% of funds raised through this effort go directly to scholarships for youth to attend the Club's programs.

As a member of the Great Futures Club, you are recognized in a variety of ways. Your name is featured in all printed Campaign materials, on the Boys & Girls Club of Collier County website and in the annual report. There is also an annual luncheon dedicated to honoring Great Futures Club members and their support of the Campaign.

Please consider joining your peers to ensure that the youth of our community have great futures for many years to come.
