

# 2017-2018 Annual Report

**BOYS & GIRLS CLUB**  
OF COLLIER COUNTY

“Our kids come for the programs...but they stay because of the staff. I am a longtime Boys & Girls Club alum, having joined the Club in 1963 at the age of six. My earliest memories are of my favorite staff member, Mr. Day. He was my role model, someone I looked up to and aspired to be like. Mr. Day had an incredible impact on my life. As a 24 year Boys & Girls Club employee and an alum, I bleed blue blood! I am passionate about my work and honored to work with the talented staff and children in Collier County.

Vice President of Operations  
Club Member since 1963

## **A Word from our President & Chief Executive Officer**

Dear Friends,

This year, I have had the pleasure of watching the Boys & Girls Club of Collier County truly raise the bar for our members. Our volunteers have contributed 15,768 hours to literacy instruction and mentoring. Our high school seniors have maintained a 100% graduation rate. Our culinary department has served nearly 200,000 meals to our 3,560 club members. Our staff has worked to develop unique programming that inspires our members to learn, explore, and grow, which has increased our daily attendance significantly. That is a testament to the commitment and support of people like YOU, Board members, our donors, our volunteers, and our staff.

2018 has not come without its own unique set of challenges. We have had to make some adjustments to our processes and have had to make hard decisions in our effort to always be fiscally responsible. We have asked more from our supporters than ever before, but the result of that effort is shown on the smiling faces of our club kids every day.

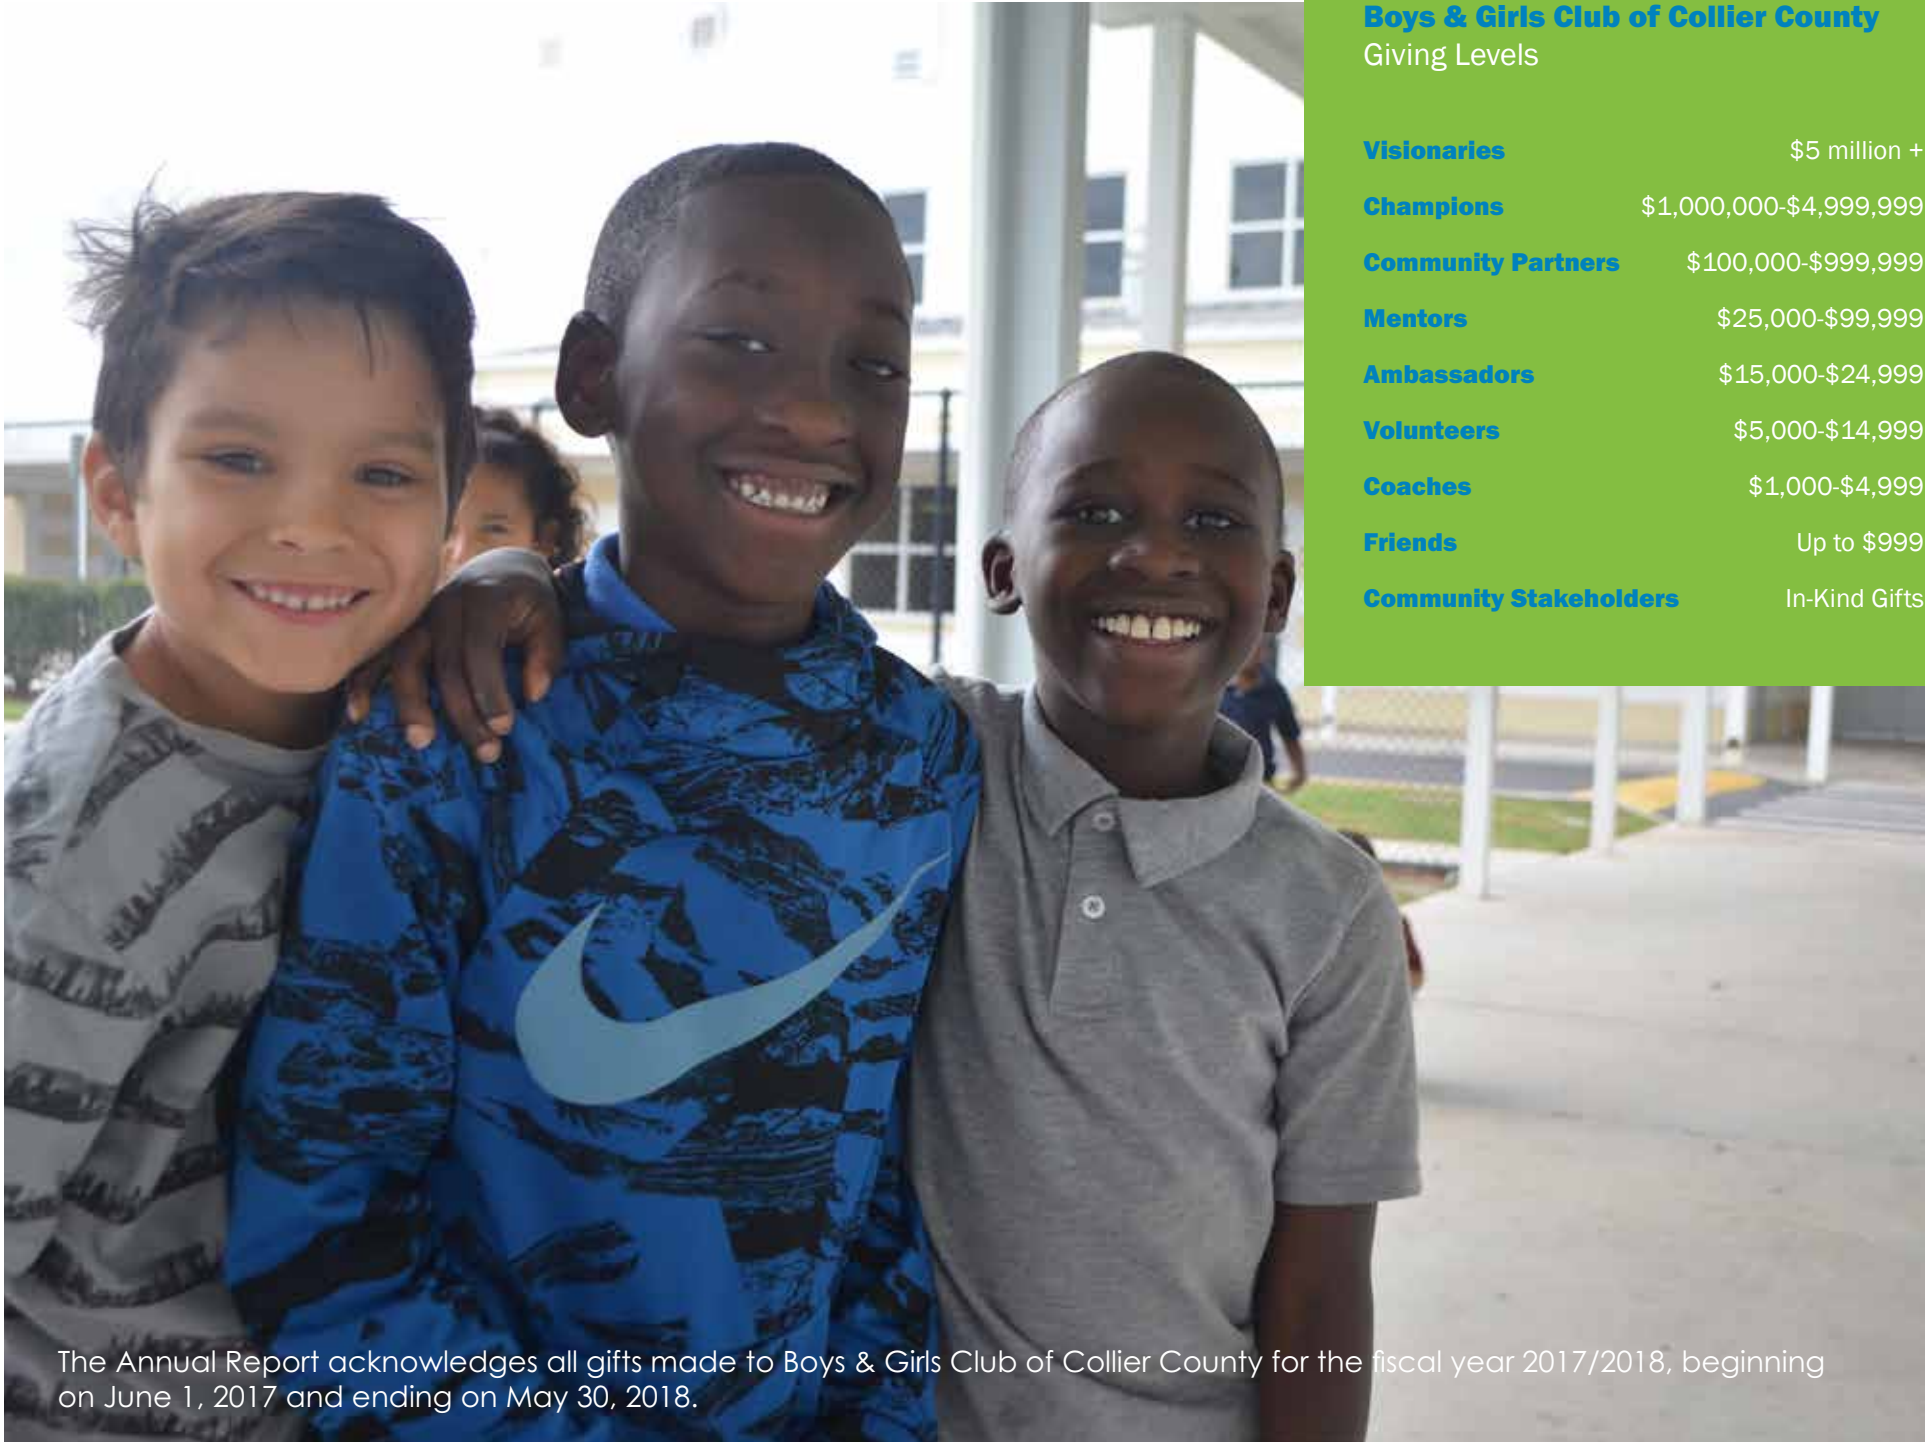

As we move forward in 2019 and beyond, I am proud of what the Boys & Girls Club of Collier County has accomplished and excited about what is to come. Making an investment in our club is making an investment in our community. By providing cost-effective, quality programs for a truly diverse membership, we are raising the next generation of compassionate citizens inspired to fulfill their dreams and stay on course for a successful future.

Thank you for making all of this possible.

Sincerely,

**Megan McCarthy Beauvais, M.Ed.**

President & Chief Executive Officer

“

I've been a part of Boys & Girls Club of Collier County since 1988. As a Board member, I have had the pleasure of seeing first-hand how these children progress, mature and grow as a result of their involvement at the Club – the opportunities available to these kids is tremendous! I'm proud that my work as a Boys & Girls Club of Collier County fundraiser has contributed to the well-being of these children. Every kid could benefit from a Club experience...**I wish my own children had been Club kids!**

We are grandparents to a nine year old granddaughter and a fourteen year old granddaughter, and have been volunteering at Boys & Girls Club for eight years. Both of us enjoy being around the children and being able to help them with their reading and homework, too.

## GRAND REOPENING

# Love the Library

The devastating effects of Hurricane Irma left the library at the Boys & Girls Clubs of Collier County's Nichols Campus totally destroyed. Carpeting, shelving and over 2,000 books were deemed a total loss. Through the efforts of many volunteers and donors, the library was rebuilt and continues to serve as the hub for the Club, as tutoring sessions and homework helpers can be found working with children throughout the week.

“

I love volunteering at the Boys & Girls Club because I am giving back to the community while hopefully making a difference in the lives of children. I find happiness in sharing new experiences with them. It's a fun and energetic environment that benefits everyone who is a part of the organization. Seeing the children smile makes my heart smile. **It is definitely one of my happy places.**

**At Boys & Girls Club of Collier County, we are a family.** I am so proud to work among such caring people. As a team, we all work together to help children. Each of us at the Club, in his own way, is making a difference to these children. That makes me very proud.

**I LOVE working with kids;** I did it for 33 years as a public school art teacher in Pennsylvania. Having the opportunity to guide, to listen to, and to learn from kids is as good for me as it hopefully is for them. I simply love the diversity at the Club, not to mention the excitement! Being a tutor and a mentor plays to my interests and strengths. Knowing that everyone is as glad to see me as I am to see them makes for good, quality times!

**The Boys & Girls Club of Collier County has provided me with many opportunities,** and volunteering is one of them. Volunteering at my local Boys & Girls Club did not only help me grow as a person, that opportunity showed me that taking at least fifteen to twenty minutes out of your time to help your fellow peers can make a difference in a person's life.

## **A Word from our Board of Directors Chairman**

Dear Friends,

In this season of giving, I would like to extend my gratitude for the incredible support Boys & Girls Club of Collier County received during the fiscal year 2017-2018. Your gifts and generous well wishes have made the lives of so many of our children better, and I thank you from the bottom of my heart.

With the enormous challenges caused by Hurricane Irma's landfall in Southwest Florida, and indeed, millions of people throughout the State, the outpouring of generosity and kindness was truly inspirational. Despite some damages, both the Nichols Campus in Naples and Bolch Campus in Immokalee continued to serve the families who depend upon Boys & Girls Club of Collier County for their children's safety and wellbeing afterschool each day.

As the Board Chair of this extraordinary organization, I am humbled by the many within our community who recognize the importance of opportunity for children in today's world. On behalf of my fellow board members, thank you again for remembering the children we serve at Boys & Girls Club of Collier County.

Wishing you and your families the Happiest of Holidays!

Most sincerely,

**Susan Bass Bolch**
