

# Online Club Expectations

We are happy that you are here and we are excited that you are a part of our online virtual Club experience!

The link to our meeting will be emailed to your parents weekly. Please use that link and be on time for our sessions!

Always use your device in a common, but noise free environment so that parents can monitor your participation. We expect active participation from all members!

We ask that you use your real name, no nicknames, or fake names, so we can take accurate attendance.

We will mute your microphone when noise and/or conversations are distractions. We will unmute your microphone at appropriate times for you to speak.

The chat feature will remain disabled until the appropriate time to use it is available. We want to keep discussions on topic.

Please remember that all Club rules apply when communicating with staff & other members. We must be considerate, respectful, and kind. We will hold you to high behavior expectations!

Any member who refuses to meet our online behavior expectations will be asked to leave, or will be removed, and we will contact your parents.
