## Whatever It Takes

Supporting and  
Strengthening  
Our Community

Dear Friends,

It is with sincere gratitude that we share the impact you have had on the kids of Boys & Girls Clubs of Collier County during this past year. With your support, commitment, and belief in the potential of our Club kids, you changed the lives of thousands of children. And though this aggregate impact is huge, we also measure it individually, by each child whose story changes because the Clubs provide a safe, supportive, empowering, inspiring place to go every day.

Your belief helped a struggling first grade reader say, “I am smart.”

Your support helped a middle school student learn to say, “I am confident.”

And your commitment helped a shy, hesitant ninth grader start believing, “I am strong.”

At our Clubs during the school year and over the summer months, children are getting the resources they need to learn, grow and thrive – because of you. Our donors, volunteers and staff make it possible for kids, most of whom are growing up in poverty, to pursue their dreams. And it is only with your support that we are able to provide our life-changing programs.

As we look back on the decades of serving the Collier County community, we are grateful for the opportunities we have had to inspire and empower children across our county, supporting those pivotal moments when confidence blossoms, curiosity is rewarded, and possibilities become reality.

This year was not without struggle. With Covid-19 forcing our physical doors closed for nearly two months, your commitment to our young people allowed programs to continue virtually, without missing a beat. Your concern for our families allowed thousands of meals to be served, ensuring no family had to go without food. And your support allowed us to be one of the first programs in our area to reopen, providing the safest environment possible for families to send their children while they resumed their jobs, many as essential workers.

None of this happens without your generosity of spirit and your belief that all children will achieve their greatest potential. So, on behalf of every one of our Club kids, we thank you for helping us write this story of impact.

With sincere gratitude,

Megan McCarthy Beauvais, M.Ed.  
President & Chief Executive Officer

Susan Bass Bolch  
Chairman

# MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

## OUR SIX CORE PROGRAM AREAS INCLUDE:

- + Education
- + Career Development

- + Character & Leadership
- + Health & Wellness

- + The Arts
- + Sports & Recreation

## MEET OUR CLUB MEMBERS

ABIGAIL

Abigail is a 2nd grader at Lake Trafford Elementary School. She has been a member at our Bolch Club since she was in kindergarten and was so happy to be back at the club for summer! Her favorite activities are art and playing outside. When Abigail grows up, she wants to be a teacher.

JOEL

Joel has been a part of our Nichols Club in Naples for almost 3 years. He has enjoyed his time in the club because of all the activities that he gets to do. His favorite thing about the club is being with his friends since he hasn't seen them since school was out.

NATHALIE

This is Nathalie. She is in the 3rd grade and has been a Club Member for two years. She has a passion for art and creative projects. She loves coming to the Bolch Club in Immokalee because she gets to paint and just have fun!

# PROGRAMS THAT MAKE A DIFFERENCE

## VIRTUAL CLUBHOUSE COMBATING LEARNING LOSS

Virtual Clubhouse is an online, interactive Club experience offered through the Boys & Girls Club of Collier County. In an effort to be there for our club members and do Whatever It Takes, Boys & Girls Club of Collier County created a virtual platform to help combat learning loss and show our members that we are here to support them. Virtual Clubhouse allows members to engage with their favorite Club mentors and friends in activities to keep their brains learning and bodies active! Fine arts, character development, college prep, and STEM are just some of the programs Boys & Girls Club of Collier County offers virtually.

## UPS ROAD CODE SUPPORTING SAFE DRIVERS

The UPS Road Code program is a National Boys & Girls Clubs of America program that began in 2009. It is for teens ages 13-18, and teaches safe driving using our driving simulator along with guidance on how to be a safe and responsible passenger. During the 2019 calendar year, a total of 201 teens graduated from the UPS Road Code program in Collier County. Boys & Girls Club of Collier County has the third highest graduation success rate from the Road Code Program in the entire United States.

## JUNIOR WOMEN OF INITIATIVE CREATING STRONG FEMALE LEADERS

The Junior Women of Initiative program is a unique mentoring partnership between Boys & Girls Club of Collier County and the Women's Foundation of Collier County. The purpose of the Junior Women of Initiative program is to help middle school girls build their self-esteem, confidence and personal awareness while building vital life skills necessary for future success. Each fall, middle school girls are nominated for the Junior Women of Initiative program based on their class participation, attendance, need for a mentor, and/or the need for guidance. Mentors are recruited from the Women's Foundation of Collier County and throughout the local community. The selected mentors are strong and successful women who serve as excellent role models for our girls.

## A LETTER FROM CAMARAELE MILORD, 2020 YOUTH OF THE YEAR WINNER

“Deciding to join my Boys & Girls Club was one of the best decisions I made. My Club gave me a safe place to come after school to work on homework and learn new skills, which was of huge importance to me as I had just gone through a very difficult move from Haiti to Immokalee, Florida.

My Club has given me the confidence to stand up for myself and see that there is no limit to the success I am capable of. My Club Mentors are there to help with anything I need, from advice to homework help to dance lessons.

This year I competed in and won my Club’s Youth of the Year competition. Being named the Boys & Girls Club of Collier County’s Youth of the Year was the cherry on top of my Boys & Girls Club experience! It combined all the skills I had been learning throughout my time at my Club. I was even chosen to move on to the State Youth of the Year Competition. It was an honor getting to represent my Club virtually as a finalist.

As I take the next step in my life, graduating high school and preparing for college, I am thankful for the skills and lessons that I have learned at my Club. Perhaps most importantly, I am thankful for the family that I found in the Club members and staff.”

*Camaraelle Milord*

# CAREER AND TECHNICAL EDUCATION

## JUNIOR STAFF PROGRAMS

XITLALY

“My name is Xitlaly. At my Club, I work at the front desk as a junior staff member. Through my time at my Club, I have learned a lot through my work at the front desk. I have learned how to interact with parents, community partners, and other staff members. I enjoy the responsibility of my job and helping the younger members find their way through the Club. When I graduate, I want to study interior design or art. My Club has helped me to embrace my creative side and my club mentors here have helped me incorporate that while working at the front desk like when I get to decorate the bulletin boards. I enjoy sharing that with other members.”

*Xitlaly*

## JUNIOR CULINARY PROGRAM

HENGIE

“I have worked as a junior staff member in my Club’s kitchen for two years. People ask why I work as a culinary staff and the answer is easy – I like what I do! I assist the chefs in the kitchen by preparing and serving food to Club members, and clearing the area we use. I also help on our Blue CanTEEN food truck. All of this experience has taught me skills ranging from knife techniques to teamwork and leadership.”

*Hengie*

## COMPUTER AIDED DESIGN

DAVID

“My Boys & Girls Club helped me to discover my passion – film making. That’s why I love getting to work in our Computer Aided Design (CAD) lab. One of the projects I’m most proud of is my film on gun violence. This subject is particularly close to my heart as I have lost loved ones to gun violence. The CAD Lab at my Club is a safe place for me to grow my film making skills which give me a voice to speak out on the ways I want to help my community improve.”

*David*

## FRIENDS CIRCLE

nextgen philanthropy board

EMMA

ASHLEY

### FRIENDS CIRCLE

Friends Circle is a young professionals philanthropy group that supports the Boys & Girls Club of Collier County. Friends Circle connects young professionals from across industries and neighborhoods to advance the Boys & Girls Club's mission and impact. Members join to give back, develop leadership skills, and connect with like-minded peers at social gatherings, networking events, and volunteer experiences at the Club.

# PROMOTING RELIEF, RECOVERY AND SAFETY

“We will just keep doing Whatever It Takes for the kids, that’s just what we do.”

– John Iannuzzi, Boys & Girls Club of Collier County Volunteer

“Boys & Girls Club of Collier County is playing a critical role in helping kids and our community recover following the pandemic – helping heal youth trauma, overcoming academic gaps and enabling teens to contribute to the workforce as the economy rebuilds.”

- Megan McCarthy Beauvais, President & Chief Executive Officer

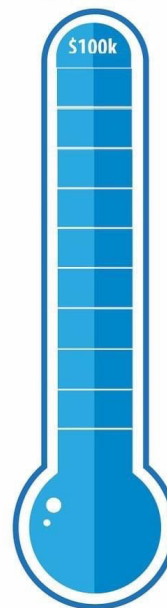

“In a typical school year, our members are receiving breakfast and lunch from school and they’re getting snacks and dinner from the Club. It’s a real issue when you talk about taking away sources of food for our families and when families have to pick up this cost, it’s a very large financial burden.”  
 – Megan McCarthy Beauvais,  
 President & Chief Executive Officer

\$125k

BOYS & GIRLS CLUB  
 OF COLLIER COUNTY

# RELIEF FUND MATCHING Challenge

**WE DID IT!**

We surpassed our \$100,000 goal,  
 raising a total of \$125,700!

**Thank you to those who have  
 donated to the Relief Fund!**

“This Blueprint Partner program is an endorsement of those strategic initiative partners who are able to have the greatest impact by leveraging resources, creating systems, aligning protocols and eliminating duplication of services.”

## JOHN IANNUZZI VOLUNTEER OF THE YEAR

John Iannuzzi is an outstanding and dedicated volunteer who truly believes in the Boys & Girls Club mission and has donated his time in several capacities. He started volunteering in 2018 and has since logged over 107 volunteer hours! John has assisted with Torch Club, our middle school community service program, volunteered in the gym, wrapped holiday gifts, and won the Club's Volunteer of the Year award. Due to his wide range of involvement, John has positively impacted hundreds of youth.

Most notable, John volunteers annually with Youth of the Year, serving as a mentor, assisting candidates with their essays, speeches, and interview practice. He has mentored at both Bolch and Nichols Clubs, and also helped coach Islande (our local winner in 2019) for the state competition. Last fall, John and his wife visited Islande during her first year in college in Pennsylvania and while they were in the area, gifted her a few cold weather items including a hat, scarf, and cozy socks.

THANK YOU, JOHN!
